Simla, the 13th May 1937.

King's Police Medal

New Delhi, the 1st February 1937.

No. F.-23/7/36-Police.—His Majesty the King Emperor of India, has been pleased to confer the King's Police Medal on the following officers and men of the Indian Police establishments :—

MADRAS.

Name of officer and unit and statement of services for which he particular the decoration has been conferred.

1.* *Anandan Nayar, late constable.*—On 23rd November 1933, two hooligans of Pulai town were brought to Police Town Police station by this constable and another after their arrest for drunken and disorderly behaviour. In the absence of handcuffs the prisoners had their arms bound with a cloth as they tended to be violent. At the station the Sub-Inspector directed the head constable to untie the men and charge-sheet them under the Towns Nuisance Act. They were accordingly untied. While the head constable was making the necessary entries in station records, one of the arrested men pulled out a knife and suddenly attacked him with it inflicting injuries which proved fatal. Constable Anandan Nayar the only man in the vicinity at the time although unarmed, went to his head constable's rescue without hesitation and tackled the armed murderer. His courageous action unfortunately proved unavailing as the murderer stabbed him also, the knife penetrating the lungs and then made good his escape. The constable afterwards died of the wound. He had risked his life with great gallantry.

2.* *M.R Ry. Chidambaranathi Venkata Subbayya Nayudu, late Sub-Inspector of Police.*—On 20th July 1935, Sub-Inspector C. V. Subbayya Nayudu who was investigating a burglary case, received information that one Neelum Veeraswamy, a notorious leader of a gang of hooligans in Bapatla, was implicated in the case and was in possession of some of the stolen property. The Sub-Inspector accompanied by a head constable and a constable, proceeded to the house of Veeraswamy with a view to search

it. Veerasamy retreated into his house on the approach of the police and emerging therefrom armed with a spear rushed at the Sub-Inspector and inflicted a fatal wound which pierced through the Sub-Inspector's abdomen. He withdrew the spear and aimed a second stab which the Sub-Inspector avoided. The Sub-Inspector, before collapsing, had the strength, resolution and courage to draw his revolver and shoot his assailant down. Veerasamy died on the spot. The Sub-Inspector collapsed after his effort and died in hospital that night. Though mortally wounded the Sub-Inspector acted with the greatest intrepidity and his courage deserves the highest recognition.

3. *M.R.Ry. Rao Sahib Poolvarthen Subramanya Ayyer Jambunathasami Ayyar Avargal, Deputy Superintendent of Police.*—This officer was enlisted as a Sub-Inspector of Police in 1905. On completion of his training, he was posted to the Tanjore district where his hard work and devotion to duty earned for him early promotion as Inspector. He continued to earn the appreciation of his superior officers and in 1921, after ten years continuous service as Circle Inspector, was selected for promotion to gazetted rank. During the Non-co-operation Movement of 1921-22 he performed valuable service in the difficult Tiruvannamalai division of the North Arcot district and in 1924 was posted as Assistant to the Kallar Reclamation Officer in the Madura and Ramnad districts, where he continued to do good work. In 1927 he served in the Sivaganga subdivision where he discharged his duty faithfully and well, earning considerable appreciation in connexion with the notorious factions in the Chettinad and in the early days of the first Civil Disobedience Movement. In May 1931 he was selected for the important post of Deputy Superintendent, Office of the Inspector-General of Police, a post which he held for three years with credit to himself and very considerable benefit to the superior officers and his own subordinates. In May 1934 he was posted as Assistant Commissioner, Crime Branch, in the Madras City Police whom his long service in the executive and the ministerial experience in the Office of the Inspector-General of Police enabled him to control the investigating staff and Criminal Record Section of the City Crime Branch, with skill and success. He took a prominent part in the investigation of several important and complicated cases.

He has now completed over thirty years of service which has been marked by a devotion to duty which it would be difficult to overestimate. His has, throughout his long career, borne an irreproachable character.

4. *M.R.Ry. Rao Bahadur Vayararam Vandiraipuram Sathyanathi Mudaliyar Vadivanatha Mudaliyar Avargal, M.B.E., Officiating Deputy Superintendent of Police.*—This officer entered service as a Sub-Inspector in 1907 and was in charge of several important stations in Coimbatore district until he was promoted in August 1919 to the rank of Inspector in the same district in appreciation of his excellent services. As Inspector he distinguished himself and showed conspicuous ability in the successful conduct of important and difficult cases which needed intelligent, careful and delicate handling. His work when in Gobi circle against dangerous members of the notorious criminal tribes of Koravars and Valayars, who were an incessant source of trouble in the Coimbatore district was particularly noteworthy. In recognition of his ability, zeal and efficiency, he was promoted as Deputy Superintendent of Police in which capacity he rendered valuable service in Negapatam, Salem, Dharapuram Range and Madura subdivision. He was transferred in June 1929 to his present post of Deputy Superintendent of Police, Special Branch Criminal Intelligence Department. His services in this post have been of an outstanding nature his work in connection with the Madras Conspiracy and other cases having been particularly meritorious. His long service has been throughout distinguished by exceptional ability and merit.

5. *Sayad Hahmet-Ul-la Sayad Usman Sahib Bahadur, Inspector of Police.*—Inspector Usman was enlisted in the Madras Police as a Sub-Inspector in 1908. In the South Arcot district to which he was attached in the years 1909-1915 this officer distinguished himself by rigorous action against notorious local criminals, including a dangerous dacoit whose arrest he secured after a stern chase and hand to hand fight in the jungles of Sellimpalayam. He was promoted to Inspector's rank in 1920 and after distinguished service in the districts of South Arcot and Ramnad during the course of which he played a leading part in the suppression of the non-co-operation campaign, he was selected for duty in the Crime Branch at the Madras City Police in 1930. In this capacity he continued to display his marked ability as an investigating officer and did valuable work in numerous important cases.

He was selected for promotion to gazetted rank and actually acted as Deputy Superintendent of Police on two occasions. For private reasons he had voluntarily to forego such promotion. Throughout his service he has discharged his duties conscientiously and efficiently.

6. *M.R.Ry. Kurapati Venkataramanajulu Naidu Garu, Inspector of Police.*—This officer joined the service as a Sub-Inspector in 1908, and while still a probationer successfully rounded up a dangerous criminal gang of Erukalas. In 1912 he was promoted as Inspector and rendered distinguished service in the Guntur, Kistna and Godavari districts. In Buzwada—a hot-bed of crime and political trouble—from 1918 to 1923 his work was outstanding, particularly in connection with the non-co-operation movement. Throughout the critical period he displayed physical and moral courage of a high order and handled difficult and trying situations in a resourceful manner.

While in Bezwada he effectively raided and broke up a dangerous gang of Erukalas, and when in charge of the Bhadrachalam subdivision brought to book two dangerous gangs.

In June 1930, he was transferred to the Criminal Intelligence Department where he took charge of the Gang section, which was then in its infancy, and developed it into a highly organized and effective system of control of criminal gangs throughout the Presidency. His zeal and energy in this department, coupled with his wide knowledge of criminal gangs, and his persistent encouragement to the District Police have contributed largely to the good results in dealing with criminal gangs.

His long service has been distinguished throughout by exceptional merit and ability.

NOTE.—The awards in the case of officers marked with an asterisk are for conspicuous gallantry. Officers of and below the rank of Inspector of Police are eligible for the allowances sanctioned in the M.D. letter No. F. 28-IV-30-Police, dated the 7th February 1930.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards, the administration of the Ponnur Panchayat Board in the Bapatla taluk of the Guntur district by a special officer is necessary for a further period of six months in order to remedy all the defects and complete the improvements already effected, he hereby directs in exercise of the powers delegated to him by the Local Government under section 238 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred under section 43 A (4) of the said Act, that the reconstitution of the Ponnur Panchayat Board shall be postponed for a further period of six months with effect from 17th August 1937.

Madras, 16th June 1937.

In this office notice R.C.C. No. 12033/37, dated 4th May 1937, the President of the Pallakkal Panchayat Board in the Ambasamudram taluk of the Tinnevelly district was directed under section 43 (2) of the Madras Local Boards Act, 1920, as amended, to show cause why he should not be removed from office for the following among other reasons :—

(1) In spite of specific instructions from the Assistant Panchayat Officer, Tinnevelly, he was in the habit of keeping more than Rs. 10 of the panchayat funds in his custody.

(2) The acquittance register showed that payments had been made to a scavenger and clerk. Enquiry showed that no such persons had been engaged by the board and that false receipts had been prepared and maintained.

(3) A sum of Rs. 447-8-0 was spent on the execution of works. The works had been executed without proper estimate and sanction. In certain cases amounts far in excess of those sanctioned by the board were spent. The president has not so far sent any reply though the notice time has already elapsed. Presumably the president has no explanation to offer. In exercise of the powers delegated to him by the Local Government under section 238 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred on him under section 43 (1) of the said Act, the Inspector of Municipal Councils and Local Boards hereby removes M.R.Ry. S. Muthuswami Pillai, President, Panchayat Board, Pallakkal, Ambasamudram taluk, Tinnevelly district, from the office of the president of the said panchayat.

Madras, 17th June 1937.

In this office notice R.O.C. No. 46927/36-C 4, dated 8th March 1937, M.R.Ry. N. S. Seshadri Ayyangar Avargal, President, Panchayat Board, Agraharam Vasudevanur in the Kallakurchi taluk of the South Arcot district was asked to show cause why he should not be removed from office of the president under section 43 (1) of Madras Local Boards Act for the following reasons :—

(i) He had not convened meetings of the board.

(ii) He had not deposited the panchayat funds in the Postal Savings Bank.

(iii) He prepared minutes of his own without holding any meetings and made the members sign them.

(iv) He had misappropriated a sum of Rs. 230-3-0 belonging to the panchayat board. The president has not replied to the notice so far, though the notice was acknowledged by him on 20th March 1937.

2. In exercise of the powers delegated to him by the Local Government under section 238 of the Madras Local Boards Act, 1920, as amended, and in virtue of the powers conferred under section 43 (1) of the said Act, the Inspector of Municipal Councils and Local Boards hereby removes M.R.Ry. N. S. Seshadri Ayyangar Avargal, President, Panchayat Board, Agraharam Vasudevanur, Kallakurchi taluk, South Arcot district from the office of the president of the said panchayat board.

Madras, 19th June 1937.

The Inspector of Municipal Councils and Local Boards hereby directs that the jurisdiction of the Mobiripatti Panchayat Board, Karur (formerly Uttangarai) taluk, Salem district, as constituted and notified in this office R. Dis. No. 384, dated 6th May 1926, shall be

"The entire revenue tarafs of Mobiripatti comprising the revenue villages of—

(1) Mobiripatti.
(2) Suriyampatti.
(3) Sokkampatti.
(4) Thandukoppam."

Madras, 14th June 1937.

In exercise of the powers delegated to him by Local Government under section 238 of the Madras Local Boards Act, as amended, the Inspector of Municipal Councils and Local Boards hereby directs under section 5 (2) (b) of the Act that the revenue village of Peddaingalavalasa shall be included in the limits of the Kurupam Panchayat Board in Chipurupalli taluk of Vizagapatam district so that the jurisdiction of Kurupam Panchayat Board may extend over the said revenue village also.

Madras, 16th June 1937.

Whereas in the opinion of the Inspector of Municipal Councils and Local Boards, the Kudur Panchayat Board in the Anantapur taluk of the Anantapur district is incompetent to perform the duties imposed on it by law, he hereby directs, in exercise of the powers delegated to him by the Local Government under section 238 of the Madras Local Boards Act, 1920, and in virtue of the powers conferred under section 47 (1) of the said Act, that the said Kudur Panchayat Board shall be dissolved with effect from 10th July 1937, the date of publication of the notification in the *Anantapur District Gazette*, and that it should be reconstituted on or before 10th September 1937.

It shall be distinctly understood that the Government does not accept any responsibility for the correctness or completeness of this schedule, and that this schedule is liable to alterations by omissions, deductions or additions at the discretion of the Executive Engineer, Kistna Central Division, or as set forth in the conditions of contract. The tenderer will, however, base his lump-sum tender on this schedule of quantities. He should quote specific rates for each item in the schedule, and the rates should be in rupees, annas, and in sums of three pies. The rates should be written both in words and figures and the sums in words. The tenderer also should also show the totals of each item and the grand total of the whole contract, and quote in the tender a lump sum for which he will undertake to do the whole work subject to the conditions of contract, such lump sum agreeing with the total amount of schedule A. This schedule when carrying the lump-sum tender shall be written legibly and free from erasures, overwritings or corrections of figures. Corrections, where unavoidable, should be made by correcting out, initialing, dating and rewriting.

10. Tenders offering a percentage deduction from or increase on the estimate amount, and those not submitted in proper form or on due time will be rejected. Rates or lump sum amounts for items not called for shall not be included in the tender. No alteration which is made by the tenderer in the contract form, the conditions of contract, the drawings, specifications, or quantities accompanying same will be recognized and if any such alterations are made, the tender will be void.

11. The tenderer should work out his own rates, without reference being made to the Public Works Department current schedule of rates or to the Public Works Department estimate rates which are not open for inspection by tenderers.

12. The price at which and the source from which certain particular materials shall be obtained by the contractor are given at the end of the schedule accompanying the tender form. Tenderers must accept the material at those prices and shall quote their price for finished work accordingly. Notwithstanding any subsequent change in the market rates for these materials, the charge to the contractor will remain as originally entered in the written contract. No carting or incidental charges will be borne by Government in connection with this supply.

13. The attention of the tenderers is directed to the contract requirements as to the time of beginning work,

the rate of progress, and the dates for the completion of the whole work and its several parts. The following rate of progress and proportionate value of work done from time to time, as will be indicated by the Executive Engineer's certificates of the value of work done, will be required. Date of commencement of the programme will be the date on which the site (or premises) is handed over to the contractor :—

Period after date of commencement.	Percentage of work completed (based on contract lump-sum amount).
Three months	50 per cent.
Six months . ..	100 per cent.

14. No part of the contract shall be sublet without written permission of the Executive Engineer nor shall transfer be made by power-of-attorney authorising others to receive payment on the contractor's behalf.

15. If further necessary information is required, the Executive Engineer of the division will furnish such, but it must be clearly understood that tenders must be received in order and according to instructions.

16. The Executive Engineer or other sanctioning authority reserves the right to reject any tender or all the tenders without assigning any reason therefor.

17. No separate charges for baling or pumping or for shoring that may be found necessary during execution of the work will be paid for the unit rates for the respective items should include provision for this.
